COURSE DELIVERY

This course is delivered via face-to-face teaching, demonstration, and practical application. Students experience a simulated workplace environment, with access to equipment, products and facilities reflecting industry practice.

ENTRY REQUIREMENTS

Students need to demonstrate the Learning, Literacy and Numeracy skills required for this course prior to course commencement.

COURSE DESCRIPTION

This unit describes the performance outcomes, skills and knowledge required to design and apply make-up for photographic shoots in natural and artificial light.

It requires the ability to select products and tools to apply photographic make-up in response to a brief from a client or stylist engaged in a photo shoot.

This unit applies to beauticians, beauty therapists and make-up artists who work in beauty salons, make-up studios and photography shoot settings requiring make-up services. In this environment they work as part of the creative team, make informed creative decisions and have knowledge and skills across a range of specialised make-up products and application techniques.

COURSE INTAKES
